Imagine PURE Florida living at its finest: vacation vibes right at home, with your own private dock on the lake, no rear neighbors, and peaceful conservation views. Step out onto this expansive covered lanai and instantly feel like you™re on vacation. With plenty of room for outdoor dining, lounging, and entertaining, this space is made for Florida living. Whether you™re hosting a weekend gathering or simply relaxing with a cool drink in hand, this lanai offers the perfect blend of shade, comfort, and resort-style ambiance, all while capturing the beauty of the water just beyond.

This beautifully landscaped property sits on over a quarter acre and even extends under the lake toward the conservation, ensuring uninterrupted views and unmatched privacy. Inside, the open single-story floor plan is filled with natural light and designed to showcase the outdoors. The expansive three-panel sliding glass pocket doors fully retract to create a seamless connection between the living area and lanai, giving you that breezy, open-air patio feel, especially refreshing during Florida™s cooler winter months.

Step through the etched glass double-door

entry into an elegant foyer, with the formal dining room to the left and a home office with French doors to the right. A wood-burning pass-through fireplace connects both the office and the spacious living room, creating a cozy ambiance and the perfect spot to gather during the cooler Florida winter months.

The kitchen features a breakfast bar, and dinette overlooking the lanai, making it perfect for both entertaining and everyday living. The split bedroom layout provides privacy for all: the large primary suite is a true retreat, with a bay window framing lake views and two walk-in closets. The beautifully remodeled en-suite bath feels like a spa, with a generous walk-in shower, dual new vanities, a private water closet, and a relaxing garden tub, the perfect spot to unwind after a long day.

On the opposite side, you'll find a bedroom with a walk-in closet, along with an oversized third bedroom offering endless possibilities. This flexible space could serve as a nursery & playroom, a teenager's dream room with space to spread out (or even divide into zones), a large guest retreat, or private in-law quarters. The options are wide open, making it easy to tailor the home to your lifestyle. Outdoor living shines with a screened and covered lanai, and a winding stone walkway leading to your dock, perfect for fishing, kayaking, or simply soaking in the tranquil view. SOLAR PANELS PAID OFF
